

Job Title:

* ARMY: Occupational Therapist (O-4, Supervisory) – Evans Army Community Hospital, Fort Carson, CO (1 position available)

Job Description:

Occupational Therapist to serve in the TBI clinic at Evans Army Community Hospital, serving beneficiaries from Fort Carson, Peterson Air Force base, US Air Force Academy, Cheyenne Mountain Air Stations and Schriever Air Force base. All service will be provided at Evans Army Community Hospital and clinics.

Incumbent will provide OT services to support the TBI clinic, pain clinic and Intrepid Spirit Clinic. The OT performs a wide range of complex occupational therapy duties requiring an advanced practical knowledge of occupational therapy, evidenced-based medicine and data collection. Responsibilities include providing, evaluation and therapeutic interventions to a full range of wounded, ill and injured service members with needs concerned with, but not limited to, physical rehabilitation, musculoskeletal extremity injury, neurological and/or cognitive impairments, pain and behavioral health disorders. Utilize evaluation techniques to determine patient's current functional level using standardized/clinically acceptable measurement and evaluation tools, clinical observations, patient/staff interviews, and review of medical histories. The primary area of emphasis is on evaluation and treatment of all levels of acute and chronic medical conditions and accompanying sequelae. Provides technical supervision of, oversight, and collaboration with the Occupational Therapy Assistant (OTA).

Design treatment plans to meet patient/clinical objective to maximize restoration of functional skills and occupational roles. Incorporates psychosocial and environmental factors that contribute to the impact of injury or illness on daily life and functional performance. Utilizes a cognitive behavioral perspective with activity/task performance. Utilizes technology in evaluation and ongoing treatment. Design, fabricate, or recommend adaptive equipment and/or individual care plans for, and progress of patients participating in the program. OT will be responsible for supervision of Certified Occupational Therapy Assistant (COTA).

Maintains all basic readiness standards as required by the U.S. Public Health Service. PHS officers assigned under this Memorandum of Agreement (MOA) must remain available for PHS deployments. Under this MOA, PHS officers are not authorized to deploy with the military. 3-year (minimum) assignment tour. Requires a secret clearance.

Requirements:

Master's or Doctorate in Occupational Therapy. Hold an active professional license in one of the 50 states, District of Columbia, or Commonwealth territory. Experience working with TBI preferred.

DoD requests that each candidate submit:

1. Cover Letter/Letter of Interest
2. Letter of reference from current supervisor/rater or current senior rater
3. Current CV
4. Current professional license
5. Last 3 COERs or for new accessions last 3 annual job evaluations
